

Chipotle Mexican Grill

Chipotle Mexican grill is a restaurant that sells burritos that they make right in front of you, they also let you choose what goes on your burrito. Chipotle is a very popular place that a lot of people go to often because they have really good burritos and bowls. I personally like chipotle aswell and my favorite thing to get there is a chicken burrito. They also have really good tortilla chips with different sauces.

Ingredients.

*Meat:*Some of the meat they have are chicken, steak, barbacoa, carnitas, sofritas, and they also have veggie.

*Rice:*They have the option of white rice, brown rice, or no rice.

*Beans:*You can get black beans, pinto beans, or no beans.

*Other:*Extras like guacamole, queso, cheese, lettuce, and many other things.

Reviews/Quotes

Emily Okeyo - "I got served by an employee at the chipotle store on broadway, Crystal MN today. The employee has a great customer service skills."
